

You are invited to attend a Steel Workers Seminar on July 18, 2018

The presentation will cover **asbestos disease** and your **legal rights**. We will discuss asbestos exposure from past operations at **Bethlehem Steel** and **Republic Steel**, including:

- **Basic Oxygen Furnace**
- **Boiler Houses**
- **Building Maintenance**
- **Coke Oven Operations**
- **Mold Yard - Hot Tops**
- **Open Hearth Furnaces**

Lipsitz & Ponterio, LLC
Attorneys at Law
Committed to Asbestos Justice™

The law firm of Lipsitz & Ponterio is hosting a seminar for **Bethlehem Steel** and **Republic Steel** retirees on:

Wednesday, July 18, 2018

11:00 a.m. to 1:30 p.m.

Lucarelli's Banquet Center

1830 Abbott Road, Lackawanna, NY 14218

light refreshments will be provided

Please RSVP by Thursday, July 12, 2018

call **(716) 849-0701** or

email **mpotter@lipsitzponterio.com**

We encourage you, your family and friends to attend, especially if they worked at Bethlehem Steel or Republic Steel. In addition to asbestos disease, we will discuss other topics, including radiation induced cancers, coke oven emissions and lung cancer, and general exposures to industrial dust.
